Broadway Workshop is a student group workshop program taught by working professionals, from Broadway stars to casting directors and agents! Students get an opportunity to explore their creativity through acting, singing and dance in a supportive, positive and most of all – fun environment! ***Complimentary admission for all chaperones and teachers!***

## Broadway Rehearsal Workshop

**\*FEATURED WORKSHOP\***

**90 minutes**

Recreate a true Broadway rehearsal with actual Broadway performers! Students learn the music, choreography and staging directly from a Broadway cast member and musical director from a show they are seeing (or a show of their choice).

## WORKSHOPS FOR ALL AGES

**60 or 90 minutes**

### Dance Workshop

A Broadway dancer teaches choreography from a Broadway show while a Broadway performer/teacher leads the group in full warm up before the group learns the combinations. The sessions ends with an opportunity for a Q&A with our Broadway guest.

### Stage Combat Workshop

Get the students up on their feet to learn the ropes of stage combat. Professionally trained stage stuntmen take your students on a choreographic journey of stage fighting, always with an emphasis on safety and collaboration.

### Theatre Games/ Improv Workshop

Working with a professional actor/teacher, students actively participate during this fast-paced session! They engage in improvisational exercises designed to heighten focus, creativity, quick thinking and sensitivity to others.

### Business of the Business

A guest speaker offers inside tips and coaching towards pursuing a musical theatre career. The focus is on photos, resumes, agents, managers, casting directors, open calls, mailings, “survival jobs,” audition material, creating a business plan and many other important aspects of the performing arts.
